

# The Deal of the Decade

## 10 Year Warranty on Speed Queen

In a recent survey by Consumer Reports, Speed Queen was recognized for being Number One in Reliability among all major appliance brands.

To celebrate this accomplishment, we are offering consumers the Deal of the Decade (or maybe the century) with a **10 YEAR PARTS AND LABOR FACTORY WARRANTY!**

This is a limited time offer and an incredible offer.

1. Consumer must purchase a Speed Queen washer, dryer and/or stack washer/dryer from July 15 through September 30, 2019. New units only and must be purchased from an authorized Speed Queen dealer (USA)
2. Consumer must take delivery no later than September 30, 2019
3. Consumer MUST register the unit(s) for warranty within 60 days of purchase at SpeedQueen.com. Late submissions will only receive the standard warranty of 3, 5 or 7 years
4. When registering, consumer MUST include the special promotion code supplied by the dealer at time of purchase

Washer and/or dryer must be for residential use only. Eligible models are TR, DR, TC, DC, FF and SF models. All other conditions of the Speed Queen warranty bond apply. See dealer for details or go to speedqueen.com to see the warranty document.

There is a consensus among retailers that *'if you can get 5 to 7 years life from a new washer, you are doing pretty good'*. Imagine getting a warranty that is longer than the life of your broken machine at home! Speed Queen that is designed for 10,400 cycles or 25 years. Combine long life with number one reliability and clean clothes and you really have something special.

You only have until September 30 to get a 10 year warranty on a Speed Queen. The time to act is now.

Any questions regarding this promotion or interpretations should be directed to Brandon Auch, your Central Electric Cooperative Speed Queen Representative.
